Anticommunism and the African American Freedom Movement ...

As the essays in Anticommunism and the African American Freedom Movement show, the McCarthy Era largely smashed this left organizational and institutional base in the Black community. By 1956, the Civil Rights Congress, the National Negro Labor Council, the Council on African Affairs, Paul Robeson's newspaper Freedom, and the Southern Negro Youth Congress were destroyed.

Book Review: Anticommunism and the African American ...

This picture is beginning to be filled in, notably by Penny Von Eschen's groundbreaking Race Against Empire, but also by more recent work from this lively field. 22 Turning towards the clash between imperial anticommunism and the anticolonial wing of the African American freedom movement, we can better understand how anticolonial critics found themselves to be resisting in trying times. 23 The stories of the NMU, the Jefferson School, and the NAACP under cold-war conditions also make clear ...

Imperial Anticommunism and the African American Freedom ...

The Communist Party USA, ideologically committed to foster a socialist revolution in the United States, played a significant role in defending the civil rights of African Americans during its most influential years of the 1930s and 1940s. In that period, the African-American population was still concentrated in the South, where it was largely disenfranchised, excluded from the political system ...

Communist Party USA and African Americans - Wikipedia

The webinar can be registered for here. From its beginnings in the early years of the 20th century, the Communist Party USA was the only political movement emphasizing racial justice for African Americans, and many in the Black community reciprocated in their support for the Party.

African Americans and the Communist Party - Communist ...

Anti-communism is a political movement and ideology opposed to communism.It has been prominent in resistance movements against communism under socialist states governed by communist parties throughout history. Organized anti-communism developed after the 1917 October Revolution in Russia and it reached global dimensions during the Cold War, when the United States and the Soviet Union engaged ...

Anti-communism - Wikipedia

In the aftermath of World War II relations between the United States and the Soviet Union went from alliance to Cold War. In this curriculum unit students will study this turbulent period of American history, examining the various events and ideas that defined it, and considering how much of the anticommunist sentiment of the era was justified, and how much was an overreaction.

Anticommunism in Postwar America, 1945-1954: Witch Hunt or ...

American anticommunism stems from a history of fear, and want of control over individuals, and groups of people who are defined as "others". In this case "others", is a term attributed to American citizens who were a part of, or held any relation or affiliation with the American Communist Party.

American Anticommunism and the Cold War Essay - 2217 Words ...

The original essays in this book highlight the destructive impact of McCarthyism on the African American Freedom Movement. Recovering little-known stories of black radical activism, they challenge the idea that the Cold War was, on balance, beneficial to the movement. The book emphasizes what was lost when anticommunism forced the movement to submerge broader issues of economic justice, labor rights, feminism, and.

Roy Wilkins, the NAACP, and Liberal Anticommunism The NAACP was formed in 1909 by a group of white reformers and African American intellectuals as an alternative to Booker T. Washington's policy of accommodation and autocratic style of leadership.

Roy Wilkins, the NAACP, and Liberal Anticommunism - Selma ...

Four years before The Black Book of Communism appeared, Richard Gid Powers wrote Not Without Honor: The History of American Anticommunism.Powers' book mostly lauded the efforts of anticommunists during the 20 th century: from J. Edgar Hoover and Father Edmund Walsh in the 1920s; to Eugene Lyons, William Bullitt and Eugenio Cardinal Pacelli (the future Pope Pius XII) in the 1930s; to Sidney ...

Return of American Anticommunism | RealClearHistory

American anti-communists staged a 48-hour revolution to dramatize the perils of communism, but what it did instead was reveal the fears at the heart of American anti-communism, the fear of gender and race equality. The event was planned by the American Legion, with the help of two former communists, Benjamin Gitlow and Joseph Zach Kornfeder.
