Audi Vw 1 8t Turbo

It was also the first vehicle to use the 20v 1.8T engine, which soon found its way to the rest of the VW/Audi line, and created a tuning platform that's still popular today. There are many variants of the 1.8T with slight revisions over the course of several years, and each variant has its own 3-digit engine code, which can be find either on a label on the timing cover or stamped onto the ...
