Highlighting the period and the term 500 years may create in the minds of older scholars curious resonances and dissonances. Five Hundred Years was the title of a volume published by C.F.J. Muller of the University of South Africa in 1969. There it referred to the length of time claimed for white involvement in South Africa.

to collectively reframe, revitalise and re-examine the last 500 years. By integrating research and developing trans-frontier research networks, the group hopes to challenge thinking about the region's expanding internal and colonial frontiers, and to broaden current perceptions about southern Africa's colonial past.

Southern African Precedents and Prospects. History Oct 5, 2017 181. 500 Years Rediscovered is a product of journey which began in 2006 when a group of archaeologists and historians became involved in what they called the Five Hundred Year Initiative. Their aim was to invert the old 500 years mindset and to make up for several decades of neglect of certain aspects of our historical and archaeological past.
