Use this checklist to ensure preparedness in case of an OSHA inspection. It includes fields covering safety programs, first aid and medical services, fire protection measures, and PPE provided by the employer. It also helps employees and management review the general work environment to see areas for improvement. Download Template

OSHA Inspection & Compliance Checklists | SafetyCulture

Medical liens can cost thousands of dollars that you didn't expect to pay. Even if you've already settled your injury claim, you might be better off with an attorney managing your medical liens. Trying to interpret legal forms, billing codes, and contract language on your own can be a costly nightmare.
