**Not Crazy You May Not**  
A remark intended to shut you down like, "Calm down, you're overreacting," after you just addressed someone else's bad behavior, is emotional manipulation, pure and simple. And this is the sort of emotional manipulation that feeds an epidemic in our country, an epidemic that defines women as crazy, irrational, overly sensitive, unhinged.

Think different is an advertising slogan used from 1997 to 2002 by Apple Computer, Inc., now named Apple Inc. The campaign was created by the Los Angeles office of advertising agency TBWA/Chiat/Day. The slogan has been widely taken as a response to IBM's slogan "Think." It was used in a television advertisement, several print advertisements, and several TV promos for Apple products.
