A brick home exterior creates curb appeal that's rich with character and texture, and the right front door color will instantly play up its appeal. A bright, unexpected shade on the door can help modernize a historic brick Colonial, while a more traditional hue, such as red or navy blue, can lend enduring charm to a new build. Whether your home's brick is red, orange, gray, or white-washed ...

A brick is a type of block used to build walls, pavements and other elements in masonry construction. Properly, the term brick denotes a block composed of dried clay, but is now also used informally to denote other chemically cured construction blocks. Bricks can be joined together using mortar, adhesives or by interlocking them. Bricks are produced in numerous classes, types, materials, and ...

Brick - Wikipedia

This is meant to be a starter home to help you start a small family in the Sims 4. The bottom half of the house has an original brick foundation and built upward using a wooden exterior. The red brick is a tasteful contrast to the neutral upper level of the house, which is painted with a bluish-gray color.

Sims 4 Houses and Lots

Brick/Cobblestone: \$10 to \$70 per square foot. It adds up big time. A standard driveway on a suburb lot is 38' x 16'. A concrete driveway of that size would cost approximately \$3,648. Now, expanding it into a circular driveway that is 150' x 16' made of concrete would cost \$14,400. Imagine high-end brick or expensive stamped concrete.
