The Catholic Imagination Practical Theology For The ...

The study of pastoral theology is, therefore, both theological and practical and both about principles and people. Indeed, we need to be clear about our convictions. For example, a church is being plain foolish to ask someone to lead it without knowing what that person believes, or does so knowing that he has widely divergent views from its own.

Introduction to Pastoral Theology | Union Resources

More than this, the volume shows how a Catholic practical theological imagination is essential for the effectiveness of the Church's mission. Although focused on the work of Catholic researchers, there is ample evidence of contribution to the broader, ecumenical academy with which it is in dialogue.
