I have a yz 426 and a 225. I love trail riding with the 225. Its easy to handle and it has enough power to go most places that you want to. The only thing that i can say that sucks about the bike is the tank. I wish yamaha would make a bigger tank. yamaha has no after market tank that fits the bike. Good luck with your bike, my 225 is a kick ...

Transform your Yamaha dirt bike from a daylight-only, off-road only toy to a street-legal, all-day all-night fun machine. Baja Designs makes motorcycle lighting and dual-sport kits that add tons of versatility to your TTR, YZ, or WR without adding much weight and without emptying your wallet. Lighting kits range from LED headlamps to handlebar- and frame-mounted LED light bars.

Yamaha Motorcycle Lighting | Dual Sport Kits | Baja Designs
I used to use valvoline 4 stroke motor oil on my ttr 250. During the time I was using that, it was summer time here with 110 degree heat so 20w50 was acceptable where I live. Now I use castrol tection extra 15w40. It is diesel oil just like that rotella stuff so I decided to try it out and so far I haven't had any problems.
