It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Chiang And Wainwright 4th Edition

Chiang's fourth edition provides readers with the mathematical concepts and knowledge necessary to succeed in upper-level and graduate economics courses. Each section is filled with examples and practice problems. However, only a select number of the practice problems have answers listed in the back.
