Everybody Cooks Rice by Norah Dooley is a great book that introduces readers to different cultures and traditions based off of recipes made with rice. I like Dooley did not just include one culture and how they incorporate rice, but many others like Asian, Latin, African, etc.

I absolutely love the series of these books: the bread book, the soup book and the rice book. Hoping to get the noodles book next.

Very well written and so beautifully illustrated! Thanks to the author & the illustrator for these wonderful books, which teach children (& all ages) important values & the beautiful world of different cultures.
