Description Kaminski-

Jensen is the first text

Read PDF

Introduction To

Thermal And

to bring together  
thermodynamics, fluid  
mechanics, and heat  
transfer in an

integrated manner,  
giving students the  
fullest possible  
understanding of their  
interconnectedness.

The three topics are  
introduced early in the  
text, allowing for  
applications across  
these areas early in the  
course.
