1673 1757 Maestra

Rosalba Carrieri (12 January 1673 - 15 April 1757) was a Venetian Rococo painter. In her younger years, she specialized in portrait miniatures. It is for this that she was able to build a career in portraiture. Carrieri would later become known for her pastel work, a medium appealing to Rococo styles for its soft edges and flattering surfaces.
