I'm kind of in the middle of a Banks binge, trying to get a few of his non M books read (Iain Banks = fiction, Iain M. Banks = SciFi). This is the first non M book that I think could have been an "M". Walking on Glass has three stories that come together towards the end.

Walking on Glass by Iain Banks - Goodreads

Inside the glass was water, about a half-metre or so of slightly cloudy and salty water the boilers were supposed to keep warm. The same went for the glass underfoot; another half-metre of water lay underneath the transparent slabs which made up the floor, gurgling under the scratched surface and around the slaty pedestals supporting the columns above.
