The History of Meaning Making. In his 1957 book *Interpreting Our Heritage*, Freeman Tilden tried to define the craft of interpretation: "Heritage interpretation is an educational activity," he wrote, "which aims to reveal meanings and relationships through the use of original objects, by firsthand experience, and by illustrative media, rather than simply to communicate factual information."

#sonlightstories As a new homeschool mom, I was overwhelmed when it came to choosing a curriculum for my young girls. I fell in love with Sonlight's method, not to mention the ability to use one package to use with both my children, while still being able to customize math and language art levels for each child.
